Welcome to Sycamore RV Resort. Meet Your Friends Here!

Sycamore RV Resort offers a quiet, relaxing camping experience in DeKalb County, Illinois. Family owned and operated since 1986, Sycamore offers more than just camping, as a day use facility where families may come to fish, swim and picnic. Our lakeside campground offers fishing in two spring-fed lakes totaling approximately 30 acres, a swimming beach, rowboat and paddleboat rentals, and pedal kart rentals. We also offer tennis, pickleball, basketball, and sand volleyball courts, as well as a full range of camping amenities. Those camping amenities include clean restrooms with hot showers, a laundromat, dump station, propane fills, and a store with camping and fishing supplies, firewood, ice and much more.

If you are passing through the area on your way to a further destination, we hope you will enjoy your brief stay. If you come from the Chicago or Rockford metropolitan areas, plan to visit us again and again throughout the summer season. We are sure you will enjoy each and every stay!
